CLASS OF '22 ENDS DAYS OF SCHOOL

COMMENCEMENT EXERCISES ARE HELD IN AUDITORIUM; ROSALIND GSELL VALEDICTORIAN OF GRADUATING CLASS.

The senior commencement exercises took place Thursday evening at 6:30 o'clock. Although the commencement this year arrived at the same time as the Shriners' convention, it was well attended.

The auditorium was prettily decorated with the national colors, and flowers were arranged on each side of the stage.

The graduates were Rosalind Gsell, Marguerite Kiessling, Haydn McMills, and Grace Robinson.

Marguerite Kiessling welcomed the people at commencement, and stated in her salutatory that the tendency of modern education is to fit the student for group citizenship; that he was taught to respect the rights of others, and that he aimed to shape the aims of society toward better ends.

The Glee Club, composed of boys and girls, sang "Spin, Gretchen, Spin," and "Santa Lucia." This was their first appearance.

Grace Robinson read the history of the class of 1922. She emphasized especially the scholarship of the class, and the efforts they had made to support Mr. Adams in his attempt to promote scholarship among the lower classes.

Haydn McMills, class president and president of the student body, next read the class will, a humorous document. Among the items was the leaving of the scholarship cup to Mr. Adams, together with the hazardous task of awarding it.

The commencement address was given by Angelo Scampini, '18, A. B., the first graduate of our high school to receive a degree from the University of California.

At their second appearance, the Glee Club sang their school songs.

Rosalind Gsell, who was valedictorian because of her having highest scholarship, read her valedictory. In it she spoke of the increased necessity for education, of the importance of choosing a vocation which appeals to the student, and of the help a high school education affords in making such a choice.

Mr. Adams then made his annual report of the progress of the school. He awarded the scholarship cup and the medal he has presented to the pupil making the highest number of honor credits during the year to Mabel Whitten, '24, who received 55 honor credits. Those in the type-writing classes who have attained the speed of forty words a minute have been given medals by the Underwood Typewriting Company.

Then the seniors were presented with their diplomas. The commencements was held at 6:30 in the evening, so that the audience might go to the Shriner parade.

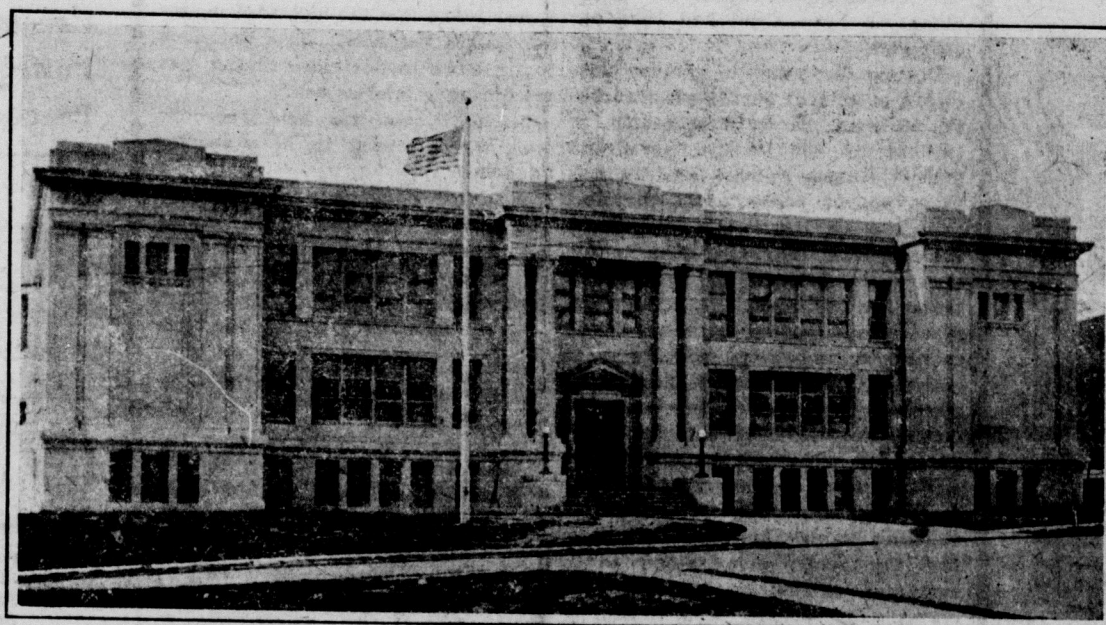

The seniors were loaded with flowers.

Since Miss Harmon and Miss Digles will not be with us next year, the student body presented them with candlesticks and bookends. It is with regret that we see these teachers leave.

GIRLS' P. A. L. MEETING AT S. S. F. HIGH.

On Saturday, June 10th, the last G. P. A. L. meeting of the year was held at South San Francisco High School. This was indeed an honor, for it was the first meeting of either G. P. A. L. or B. P. A. L. held in South San Francisco. Miss Clifford and Laura Baldini received the teachers and their representatives. Election of officers for next year and the awarding of cups for championships in the league were the important features of the meeting.

Rosalind (to Grace)—Have you read "Freckles?"
Grace—No, mine are brown.

CLASS PROPHECY

June 13, 1944! Could it be possible that I had left South City just about twenty years ago for a visit to the East, and then decided to stay there?

How South City had grown. Every one I passed was a stranger to me. While walking up the main street, I saw a large sign in one of the store windows, "Big Social," given by Glee Club, June 15, 1944.

That club sounded rather familiar, didn't it? Of course. Hadn't the class of '22 of South San Francisco High School formed it just after graduating? I certainly would meet some of my old classmates if I went to the dance, so I decided to go.

Who should be at the door collecting tickets but a very familiar person. I certainly had seen her somewhere before. She was speaking to some tall young boy, who was quite handsome. Hadn't I heard her voice somewhere? Well, if it wasn't Grace Robinson herself, I immediately went over to speak to her.

"Isn't this Grace Robinson?"
"It used to be," was her reply, "but I am now known as Mrs. —. You must meet my son," and she introduced me to the young boy I had seen speaking to her. He was about 21 or so, I judged. He seemed to be waiting for some one, rather impatiently. I asked Grace if she knew what had become of our old schoolmates.

"Haydn McMills is in the garage business," she replied, "doing quite well. He did go into some oil business, but, finding it unprofitable, started a first-class garage for Fords. He is Pacific Coast representative for Henry Ford, and became a member of the family not long after leaving college. He also has a very charming

SENIOR WEEK IS A GREAT SUCCESS

Luncheon, Pilgrimage and Ball Add Touches of Color and Pleasure.

The annual luncheon given by the junior class in honor of the senior class was held on Thursday, June 15th, in the library of the high school. As this was one of the closing functions of senior week, everything had been carefully planned so as to give our departing classmates a lasting token of our devoted friendship for them.

The room was elaborately bedecked in blue and gold flowers, which offered an admirable background to offset the brilliance and beauty of the table decorations. In the center of the table was placed a centerpiece of blue and gold flowers, the senior class colors. At each place there was a very conventional little place card, the motif of which was a picture of the four seniors, mounted on a gray card and bordered by a blue and gold design. At the side of each plate there was a small corsage bouquet, which added color and vividness to the setting.

The luncheon commenced strictly at 12:30. Those present were the four outgoing seniors, Haydn McMills, Rosalind Gsell, Grace Robinson, and Marguerite Kiessling, in honor of whom the luncheon was given. Others who partook of the luncheon were Mr. and Mrs. Adams and all of the faculty members, also a representative from each of the other classes. The toastmaster was Alexis James, who offered a very novel idea in toasts. The topic of the day was "Toast," including all the different kinds of toasts served at breakfasts.

GIRLS ORGANIZE FOR IMPORTANT WORK

League Formed to Centralize Girls' Activities; Lillah Brown, Pres.

The girls in the South San Francisco High School have formed a new club, known as the "Girls' League." This league is to consist of the various girls' clubs and activities in the school.

In the next semester we are planning to accomplish a great deal to better the conditions of the girls. The vigilance committee will try and eliminate all petty thefts that have been going on in the school. We are also going to adopt the sponsor system, which will be of the greatest interest to the future freshman. This is to provide each freshman with an upper classman as an adviser, who will help them with any difficulty they will meet.

A meeting was held Wednesday, June 7th, at which the constitution was adopted.

An election followed, in which the following were chosen for the coming term: President, Lillah Brown; vice-president, Azalia Meeth; secretary, Mabel Whitten; treasurer, a tie between Anna Carl and Zilpha Dunlap; reporter, Edna Broner.

SENIOR BALL.

The senior ball takes place on Friday evening, June 16th. This ball completes the social affairs of the school year. The auditorium will be decorated elaborately in the national colors. Attractive programs and favors have been provided.

Laziness kills courage.

CLASS WILL

We, the class of 1922 of South San Francisco High School, city of South San Francisco, county of San Mateo, state of California, United States of America, finding ourselves in a weak condition, brought about by four years of strenuous effort to battle with the sea of knowledge, and fearing that our departure is at hand, do hereby declare this our last will and testament:

1. We leave to the Cosmopolitan Club the care of the senior room for the continuance of their former activities therein, trusting that they will mourn our loss.
2. We leave the senior dignity to the class of 1923.
3. If the next seniors are worthy of such an exalted position, we hope Mr. Adams will grant them the privilege of sitting in the front row at assembly.
4. The senior history class places "Helpful Hints in Civics" in the charge of the next civics class, urging its constant perusal.
5. To Anna Carl we leave a set of electric curlers.
6. Haydn McMills wills his sweet disposition to Charles Dunlap.
7. We leave a sinking fund to the junior class, in order to defray the expenses of food for Alexis James during his senior year.
8. Although we know it cannot be equalled, we leave Rosalind's reputation as a FLAPPER to Anna Carl.
9. We will Haydn's robes of state to the next student body president, also his dramatic ability.
10. We leave Grace's vampish ways to Mabel Whitten, hoping she will make good use of them.
11. To Azalia Meeth we will the

CLASS HISTORY OF '22 SET FORTH

WRITER FOLLOWS CLASS IN ITS WORK AND IN ITS PLAY FROM ENTRANCE INTO HIGH SCHOOL TO TIME OF GRADUATION.

The class of '22 entered the South San Francisco High School on August 17, 1918, with an enrollment of thirty students.

We have had during our high school days three teachers, Miss Wilkinson, our freshman teacher; Mr. Monroe, sophomore teacher, and Miss Clifford in our junior and senior years.

Our sophomore year showed a decided decrease in students, and school ended with but fifteen students.

The girls were awarded their numerals for winning the interclass basket-ball series.

The junior year began with seventeen students enrolled.

"After the Game," a comedy, was successfully presented by our class. The proceeds went to the class treasury. In this farce there was an opportunity for every member of the class to take part.

Our "Junior Prom" was noted a success by every one who attended. The auditorium was decorated in blue and gold. The stage had a large basket of dahlias on each side. A latticework of blue and gold was constructed on the door frames and interwoven with sunflowers and dahlias. The lights were covered with blue crepe paper and streamers of blue and gold hung from each.

Our class held a cookie sale, the profits of which were given to the cause of starving Armenian children.

The girls who played on the school basket-ball team were awarded their blocks. We were sorry to have eight members of our class graduate with the senior class of '21, leaving five of us to start the senior year.

The following pupils in our class alone returned to school: Marguerite Kiessling, Rosalind Gsell, Haydn McMills, Grace Robinson, and Georgette Quinlan, who later left school. Our scholarship has been usually good for such a small class. The first semester we ranked highest and the second semester we were third on the list.

Our average was 18.50, the number of honor credits each earned.

The whole year each class has done its part in raising the scholarship of the school. Mr. Adams, who introduced a new system of marking, also is awarding a medal to the student having the highest scholarship. This has caused much competition among the students.

The seniors wished to help in this good work, and have presented to the school a scholarship cup, which is to be awarded to the class receiving the highest marks in each semester. The class winning the cup twice will have its numerals engraved thereon.

The year altogether has been very pleasant, for the good spirit between the classes is partly due to the seniors, who have made friends with every one.

The juniors have readily united with us in having our good times, and we hope that next year the feeling of good-fellowship will continue to exist in the school.

In athletics we have taken a prominent part. Rosalind Gsell was elected captain of the unlimited basket-ball team, and won a star for her playing. Marguerite Kiessling was elected captain of the first hockey team.

Haydn McMills had a prominent part in "The Private Secretary," recently given by the student body, as well as having had the honor of being the student body president. Our senior year is ended, one in which we have had much enjoyment. We have done our work well, leaving no regrets or enemies behind.

Mr. Speed has very kindly allowed us the publishing of The Enterprise for the last week of school, as we are unable to print the usual school annual.

You Are Choosing Today

between spending a little for paint now
or spending heavily for repairs later

YOU can't escape the choice. Either your buildings are well protected by paint or they are rotting and will require repairing or rebuilding within a few years.

Check the costs. Find out how much more it will cost to repair or rebuild your property than it will to protect it with paint. Rotting buildings are a waste and an extravagance.

When you paint use the best paint. It costs less in the long run. It spreads more easily—saves labor cost. It covers more surface per gallon than "cheap" paint.

But most important, the best paint serves you five or more years longer than "cheap" paint.

We have been making the best paints for 73 years. They are scientific in formula and preparation. They meet the weather conditions in the West.

They contain the finest materials—PIONEER WHITE LEAD, pure linseed oil, pure zinc, and pure colors—combined scientifically in exact proportions with long-time skill.

THE JUNIOR CLASS HISTORY.

The class of 1923 started their junior year displaying all the pep and school spirit that only juniors know.

The class of '23, under the guidance of our President Dunlap and our dear class teacher, Miss Harmon, had an unusually successful year. When it came to different activities around the school we lived up to our motto of "Watch Our Smoke." Elmer Vaccari, one of the beloved members of the junior class, was elected president of the Junior Chamber of Commerce at the beginning of the school year, and his ability has been shown there in the management of its affairs.

At the first of the second semester our class was enlarged by the entrance of Lillah Brown and Azalia Meeth, both of Daly City, quite an addition, as Anna Carli had been our only girl.

During the year the junior class took a prominent part in all branches of athletics, being represented in football by Charles Dunlap, Frank Murray, Elmer Vaccari, and Thomas Doak, all of whom made the first team. When the basket-ball season came around, they also went in for that sport, all making the weight teams and unlimited. With the track season came the end of the participation of junior boys in school athletic activities. In this sport the juniors excelled, the classes having taken the interclass track meet of the year, which was held about the last of May. In this meet the juniors took first place in the shot put, football throw, standing broad jump, 50-yard dash and the relay, also taking other numerous second, third and fourth places, which enabled them to win.

In girls' athletics, on account of the scarcity of girls we didn't do much, but what we did do was first class. Anna Carli, our "Little Junior," went in for basket-ball with such vim and vigor that she made the 125-pound team as a forward. In the games she played she showed surprising ability in making goals. She also went in for volley-ball, where she easily made the first team, being one of the best, and was elected captain. A track meet concluded the girls' athletic season, in which the junior girls took part and won various places.

In other school activities, the juniors may also be commended. When Mr. Adams called for volunteers to work on the school grounds, the juniors were among the first to enlist themselves in beautifying them.

In social activities the juniors took a leading part, giving the annual junior prom, which was a great success. Every one said the decorations were the prettiest ever seen in the high school, and to offset this there was an electric sign of '23 on the stage, surrounded by the school numerals and huckleberry branches. Later in the year the seniors gave the juniors a party, at which all enjoyed a good time, with thanks to Mrs. Clifford, Miss Clifford, and the seniors. In return, the juniors gave the seniors an enjoyable party at the home of Alexis James.

In dramatics, five of the juniors had prominent parts in "The Private Secretary," which was a "howling" success. With the senior luncheon ends the activities of the junior class for the year of 1922 which, we may all say, has been our most successful year. So here's hoping that the future junior class will display the "pep" and school spirit in making the high school run with a hum that their predecessors did.

THOMAS DOAK '23.

SOPHOMORE CLASS HISTORY.

On August 24, 1921, the freshman class of 1924 entered high school. Eighteen of the twenty-four students returned to shoulder the duties of the sophomore year.

The officers elected were: Wesley Dotson, president; Walter Welty, vice-president; Laura Baldini, secretary, and Marian Fischer, treasurer. The previous year Edna Broner was elected editor of the Blue and White for this year.

The class of '24 has taken an important part in all sports of the year, Laura Baldini receiving a star and Marian Fischer a block and two stars for their excellent work as guard and center in basket-ball, volley-ball and track.

When the volley-ball season opened, four sophomore girls took part, each receiving a star for her work. Although baseball was not so successful, it showed the athletic spirit of the sophomore girls. Ambrose Aylsworth also added honor to his class by winning a star for track at Palo Alto, and was the only boy from our high school to enter.

On the 10th of May the sophomore class enjoyed a theater party. Miss Slaw, our class teacher, showed her interest in wishing to make the party a success by selecting a play and by later giving a treat at the Pig'n Whistle.

Typewriting as well as athletics proved to be of interest to some of the sophomore students. On March

21, 1922, a typewriting contest was held at the Civic Auditorium in San Francisco, and four girls of the sophomore class entered, namely: Edna Broner, Laura Baldini, Mabel Whitten, and Sylvia Haubrich. Sylvia Haubrich won fourteenth place in a fifteen-minute test, writing fifty-two words a minute.

Although there has been but one play this year ("The Private Secretary"), it has been well represented by the high sophomore class, three of the students taking prominent parts.

A circus was held by the school on December 10th to raise more funds for the treasury. Each class had a concession of its own, the high sophomores having four: The Fashion Show, the Kiss Shop, Punch and Judy, and Moonshine. When all the money was turned in to Mr. Adams, it was found that the high sophomores had raised the most. This was such joyful news to our class that it was celebrated by a class party.

A candy sale was held February 16th, which proved to be a success financially.

With the sophomore year rapidly coming to a close, and with the untiring interest of Miss Shaw, the class of 1924 feel they have had a year of hard studying as well as a year of fun. BEATRICE FARRELL '24.

HISTORY OF CLASS OF DECEMBER, '24.

The class of December, '24, has been quite active in social affairs. The class gave a surprise party to Mr. Reed, the mathematical instructor, a little while after he began teaching here. The class had another party in the evening at the high school. At both parties games were played and later refreshments were served. All those of the class who took English went to see "The Merchant of Venice" at the Century Theater. Miss Clifford was the chaperon.

At the beginning of the year the class teacher was Miss Pettit, but at Christmastime she resigned her position here and Miss Harber, our present teacher, took her place.

This class has taken an active part in athletics. The girls placed in the interclass games. Elizabeth Coffinberry won third place in the basket-ball throw for distance; Gertha Lane won first place in the basket-ball throw for goals, she also won second place in the 50-yard dash; Leona Farrell won first place in the baseball throw for strike; Rose Panella won second place in the same event. The girls who took part in the relay were Genevieve Schmidt, Gertha Lane, Elizabeth Coffinberry, and Elva Ferrario, who won first place. The total number of points won was 20½.

The boys won 11 points, placing them third in the school. George Wallace placed third and Leland Burge fourth in the 100-yard dash. George Wallace came in fourth in the 440-yard and 50-yard dashes. Ernest Robinson won third place in the 50-yard hurdles, and Leland Burge won second place in the running broad jump.

The wearers of the S. S. F. blocks in this class are: Elizabeth Coffinberry, Genevieve Schmidt, Gertha Lane, Althea Spangler, Zelma Cox.

The girls who have won stars also are: Elizabeth Coffinberry, Genevieve Schmidt, Gertha Lane.

The officers of the class last year were: President, Alpheus McGovern; vice-president, Elizabeth Coffinberry; secretary, Elton McGraw; treasurer, Isabel Lynch; boys' manager, Ernest Robinson; girls' manager, Genevieve Schmidt; Blue and White reporter, Althea Spangler; representative for executive board, Helen Devlin, Charles Signorelli.

The officers of the class next semester will be: President, George Wallace; vice-president, Isabel Lynch; secretary, Annie Lawler; treasurer, Olga Selmi; boys' manager, Ernest Robinson; girls' manager, Genevieve Schmidt; Blue and White reporter, Leona Farrell; representative for executive board, Elva Ferrario, Alpheus McGovern.

This class stood fourth in average in the school for scholarship for the first three quarters and the fourth quarter averaged third place in the school. ALTHEA SPANGLER '24.

HIGH FRESHMAN HISTORY.

In August, 1921, forty-four freshmen entered the high school. This class has the honor of being the largest class in the high school.

A few weeks later Mr. Reed, who was the class teacher, called a meeting to organize the class.

At that meeting class officers were elected as follows:

Edwin Kingsland, president; Irene Froom, vice-president; Zilpha Dunlap, secretary; Wareham Brown, treasurer and class reporter. We chose silver and old rose for the class colors.

Later on in the year we had another election of officers on account of a feeling of dissatisfaction. All the officers were retained except the treasurer and class reporter. Fletcher

Cook was elected treasurer and Beulah O'Rourke, class reporter. The class colors were also changed to yellow and brown.

In December the school gave a circus, in which the high freshmen took part. We had several concessions and turned in second to the highest amount of money made by a single class.

Then came the interclass track meet. The girls won the track meet and were voted their numerals. The boys came in second, in their track meet. Ernest Bonalanza made the most individual points in the school, 15½. Julius Rixen made 12.

At the G. P. A. L. track meet at San Jose the high freshmen made the most points, two girls, Annie Boetto and Alice Penelley, winning their block letters. Several of the girls were on the basket-ball and volleyball teams.

We all feel that our class has done very well in athletics this year.

ZILPHA DUNLAP '25.

LOW FRESHMEN.

In February, 1922, the present low freshman class entered high school, consisting of twenty-four students, the second class to enter on the six months' promotion.

As wise students always do, we organized our class as soon as possible, with the help of Mr. Holt, our class teacher.

The officers elected for the first semester were: President, Matilda Bernardo; vice-president, Virgil Ringue; secretary, Annie Whitehouse; treasurer, Mario Volont, and Blue and White reporter, Louise Reid. After discussing at several meetings what combinations to select as class colors, orange and black were chosen. Everybody was satisfied, and considered them colors to contrast well. "Work or Get Out" was the motto adopted.

Bessie Murray, a "speedy" runner, honored our class in the recent girls' track meet by being placed third in the 50-yard dash and helping to win the relay in the San Mateo meet.

Our girls proved their good school spirit during the volley-ball season by serving "eats" to San Mateo and San Jose teams.

We have tried our "darndest" to contribute our share to the "Blue and White" each week.

A number of the girls in our room took part in the recent Fashion Show given by Miss Harber. As yet we have not had many activities, but hope to develop more "pep" in the next half of the coming year, when we will be "elevated" freshmen. Cecil Stickle, one of our best students, will not continue to be with us, as he is leaving for Los Angeles soon, which we regret very much.

LOUISE REID '25.

THE TYPEWRITING DEPARTMENT

The typewriting students of our high school were given a splendid incentive to do better typewriting this past year by means of speed tests which were sent out by the Underwood Typewriting Company in New York. These tests were given monthly by Miss Harmon, and the papers of students making over 30, 40 and 50 net words per minute were sent to New York. In return for these records, the students received certificates for the 30-word record, bronze medals for the 40, and a bronze bar for each ten words over the 40-word record.

The following students received certificates only: Anna Carli, Rita Castro, Jennie Aiello, Dorothy Cohen, Alcyone Clonsky, Evelyn Enderlin, Olga Selmi, Mabel Costa, Eleanor Hynding, Fannie Laufer, Gertha Lane, Beulah O'Rourke, Robert Scott, Marguerite Kiessling, Joseph Hearne (part time), Beatrice Farrell, Levio Raffaelli, Zelma Cox, Rose Panella, Isabel Lynch.

The following students received certificates and bronze medals: Edna Broner, Annie Lawler, Laura Baldini, Alice Elmers, Sylvia Thomas, Edna Young, Marian Fischer, Sylvia Haubrich.

Mabel Whitten received a certificate, bronze medal and the ten-word bar.

On March 11th an exposition contest was held at the Civic Auditorium in San Francisco, in which seven students participated from our high school. The typewriters were taken in and out by Sylvia Haubrich, and the girls experienced a new sensation. Typewriting for fifteen minutes, together with 200 other typists under a nervous strain, proves what one is made of, and to prove what our girls are made of, listen to this: Every one of the students was mentioned in the official returns and two of the girls received awards. Sylvia Haubrich received a ten-word bar to wear on her bronze medal for having written 51 net words per minute, and Edith Emerick received a bronze medal for having written 45 words per minute.

Some of the other girls who made over 40 words had already received their medals in the school tests, and therefore they could not receive medals again.

The girls who entered that contest were: Sylvia Haubrich, Edith Emerick, Mabel Whitten, Edna Broner, Laura Baldini, Annie Lawler, Jennie Aiello, Sylvia Thomas.

Woodwork

During the latter part of last year the woodworking shop has undergone considerable change. A circular saw and a jointer were installed, which have been used continuously this year. Both machines have individual motors and have given us splendid service. A number of new tools have also been added to the equipment, giving the students not only a knowledge of the machines with which they might come in contact, but also of all tools used in a complete woodworking shop.

After much correspondence with the various factories in the East, a complete set of drawings was secured for the use of the students, illustrating the names, parts, sizes, kinds, etc., of saws, planes, chisels, files, hammers and many other tools used daily.

In September, 1921, four 12-foot benches were constructed by the several students to be used in the boys' and girls' locker rooms. These benches were so constructed that they could be used for rub-down benches as well as the regular use. The year previous six benches were made with backs. All are at present in daily use. They were painted a dark lead color.

Later on a bulletin board was made out of jenesero, a wood from the Hawaiian Islands. It was presented to the city of South San Francisco and is now in the rotunda of our new city hall. The finish on this piece of cabinet work is of natural color.

Later on in the year a large quarter-sawed oak table of special design and construction was made for the city marshal's office by the students. It was finished in golden oak, to correspond with other furniture in the room.

At the close of this year a large quarter-sawed oak exhibition case was finished. This also is of special design and construction. It has two shelves in the form of steps, so that various fossils, chemicals, etc., of the biology and chemistry classes could be readily seen when exhibited. The

case has two glass doors, as well as two other straight shelves. This case is finished in natural color.

During this year many smaller pieces of furniture and playground apparatus were made in this department and put into use.

The regular work in class begins with mechanical drawings of all pieces of furniture to be made, showing design and construction of the same. The advanced pupils were especially instructed in the use of the machines in regard to the making of their various pieces of furniture, as well as the finishing of the same in regard to varnishing, rubbing-down, etc.

The following pieces of furniture

were made by the individual students for their own use: Two quarter-sawed library tables, two writing desks, one dresser, one phonograph cabinet, two hall mirrors with hat and coat rack stand, one fern box, two lamp standards, medicine chest, one piano bench, one book and magazine holder, one kitchen shelf, a dozen tabourets of various sizes and a china closet.

DEDICATION

We, the senior class of 1922, do lovingly dedicate this Enterprise, as our annual, to our friend, teacher and adviser, Miss Rue R. Clifford.

A WORD OF APPRECIATION

The senior class and also the student body of South San Francisco High School cannot show our appreciation to Mr. Speed for permitting us to edit this edition of The Enterprise. It is our only means of presenting to the public our senior and school activities of the year. As we have a very small class we were not able to publish the school book, "The Iris," and for that reason we cannot thank Mr. Speed enough for giving us the opportunity to write the school affairs so that every one may be able to read for themselves the work we have done this year.

"The Private Secretary" was presented by the student body on June 3d, with Miss Price as the coach. Its three acts are filled with the cleverest comedy the high school has ever put on. The parts were well taken, Alexis James having the part of the private secretary.

Those who saw this play say it is the best the high school has ever produced. We discovered some real talent in Alexis James, Elmer Vaccari and Alpheus McGovern.

As the private secretary, Alexis

earned a laugh at each appearance. One hears "Do you know?" and "I beg your pardon" on all sides, and his huge goshes will linger long in our memory.

Elmer Vaccari, as an irate uncle, was a success. One cannot realize that Elmer is really very mild in disposition when at school after his having established such a reputation for anger.

Alpheus McGovern made his first appearance on the stage as the London tailor, Gibson, a dapper little gentleman who wished to "soar."

Laura Baldini and Lillah Brown, accompanied by their slender chaperon, Mabel Whitten, as well as the sobbing landlady, Sylvia Haubrich, were clever. They made pretty pictures in the attractive settings. The devotion of Ambrose Aylsworth and Haydn McMills showed long practice and great aptitude. Nor must we neglect Wareham Brown, the quick-change artist, who served a writ in one scene and appeared a few moments later as the family butler.

"The Private Secretary" has made a reputation for the high school that the future plays will find difficult to equal.

ALUMNI

A majority of last year's senior class joined the Alumni and were entertained at a banquet given in Rainbow Lane at the Fairmont Hotel.

Raymond Spangler '21 was elected president and Mary Kauffmann '18, treasurer and secretary.

The Alumni gave three dances during the year and each one was a success.

It is expected that the present senior class will join the Alumni Association soon.

SENIOR WEEK A GREAT SUCCESS.

(Continued from page 1.)

On this speeches were made by different members present, which were very much of a success.

To brighten the way for the departing members, a farewell speech was delivered by President Dunlap of the junior class, which entirely banished gloom from the different outlooks on life of the graduating seniors, who were bound to feel badly as they were nearing the brink of these happy days.

As a fitting end to this most enjoyable day a class pilgrimage was held, in which the juniors and seniors journeyed from room to room, where farewell speeches were given by the several pupils who had been laboring in these rooms for the past year.

The menu for this happy occasion was served as follows:

Fruit Punch
Creamed Crab in Patty Shells
Peas
Olives
Hot Rolls
Ice Cream
Coffee
Pickles

CLASS HISTORY OF '22 IS SET FORTH

(Continued from page 1.)

The seniors are to put out the paper with the help of Miss Clifford. The paper will contain school activities for the whole year, dramatics, jokes, cartoons, class histories and papers written by each teacher on his or her work in the school, and also senior class affairs.

HIGH SCHOOL ARTICLES TO APPEAR NEXT WEEK

The students and teachers of the high school entered into the spirit of getting out this edition of The Enterprise so enthusiastically that more material was sent in than the make-up man could crowd into the paper's columns. A number of articles written by teachers about the high school work are instructive and will be printed in next week's Enterprise, as well as a list of members of the alumni of the school. Incidentally, it will be noticed that the news of the day has been greatly subordinated in this issue. The Enterprise considers this right and just, for this is graduating season at the school, this is the time of times for the students, and this is their issue of The Enterprise.

Sylvia—I feel it in my bones that I am going to be an old maid.

Marian Mariner—I'll bet it's not your wishbone.

Miss Clifford—Alexis, why don't you answer my question?

Alexis—I should think you could tell by my face that I don't know anything.

Block letters indicate membership on a team winning three interscholastic games with schools of C. I. F. standing or the winning of one or more points in track.

Stars are given to those who previously have received block letters.

Football! Football! All that could be heard on the opening day of school. After the rally, which awakened our enthusiasm, a large group of boys turned out for the first practice and elected Charles Dunlap captain.

Our first practice game was with Sacred Heart at the Golden Gate Park stadium on September 24th. As Sacred Heart did not provide a referee, Mr. Adams consented to act. After a few minutes of playing in the first quarter Dunlap, playing left halfback, made a touchdown. Before the quarter ended we had scored again. The second quarter was scoreless, with Sacred Heart getting more pep. In the third quarter Sacred Heart got started and scored two touchdowns, but their joy was short lived, for Tom Doak, our end, intercepted one of their long forward passes and ran fifty yards for a touchdown. Thus ended the third quarter, with the score 18 to 12 in our favor. The fourth quarter started with Sacred Heart's rooters all hooting Mr. Adams. After a repetition of this several times and with only five minutes to play, Mr. Adams stopped the game and awarded it to South City. Such was the beginning of our most successful season.

Our next practice game was with the "Commerce Bulldogs," on our field. Coach Hardy's boys came out with a good reputation, and which they proved, for at the end of the fourth quarter we were on the short end of a 36 to 7 score. Tom Doak made the touchdown on a forward pass.

At the close of the season we scheduled a game with a team of S. S. F. boys under the direction of Mr. Hurley. The game was full of fight from beginning to end. We were in scoring distance several times, but luck was against us. Murray dropped a forward pass about two yards from the line, but we worked the same thing over again and Tom Doak went over for our only score, 6-0.

Our first scheduled P. A. L. game was with San Jose, but on account of the expense we forfeited this game, and on October 15th we played Redwood City on our field. It was a very hard-fought game, and although we lost we thought we lowered the score

from the first game three years ago, and next year we expect to win. The final score was 16-6 in favor of Redwood. After the game the junior and senior girls had a little feed fixed up for the boys on the team, and, although the buns were cooked a little too hard, it was enjoyed very much.

On October 22d we journeyed down to Palo Alto to play the champions of the P. A. L. We played in the rain, and considering the size of our opponents, we played a fine game. Dunlap made our only touchdown, when Palo Alto fumbled the ball. We picked it up and ran about 100 yards for the score. It was a very good game, but we were outclassed but not outought. The final score was 41-6.

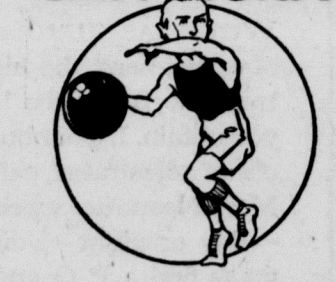

The following Friday we played Santa Clara on our grounds. Our standing in the percentage column in the P. A. L. was the same, all games lost, so we felt very confident we would defeat them. In the first quarter we started to smash through their line for long gains, and Vaccari went over for a touchdown. But in the second quarter they got started, and in the third quarter they scored two touchdowns. In the fourth quarter we started an aerial attack, but it was too late. The fourth quarter was scoreless, and we lost the game by a score of 13-6.

The team was as follows: Ends, Doak and Murray; tackles, McMills and Dotson; guards, Robinson and Aresti; center, Mirata; quarter, Bonalanza; halves, Aylsworth and Dunlap; fullback, Vaccari; coach, Mr. Adams; manager, Thomas Doak.

BASKETBALL

GIRLS' BASKET-BALL, 1922.

This year, as in previous years, basketball proved to be a very popular sport among the girls. Every one who took part in it started with a lot of pep. The team was composed mostly of new girls, the veterans having either left or graduated. With the help of our patient coach, Miss Rue Clifford, our team soon showed a lot of improvement. Two teams were chosen, the unlimited and the 125-pound team. The "unlimited" consisted of: Forwards, Sylvia Thomas '25 and Zilpha Dunlap '25; guards, Elizabeth Coffinberry '24 and Laura Baldini '24; center, Marian Fischer '24; side center, Rosalind Gsell '22, latter having been elected captain.

The first two practice games were with San Mateo, both ending in favor of San Mateo. This, however, did not discourage us.

The next game was a P. A. L. game, also with San Mateo. San Mateo again proving victorious, although there was a close score, 25-23. The girls played quite well.

The next game was at Redwood, and ended in our favor. The Redwood girls were good fighters, although they lost, and accepted the loss with good spirit. It was an exciting game, each girl doing her best. After the game the Redwood girls gave us a feed, which we certainly appreciated. Speeches were made by the captains of both teams. Yells were given and songs were sung by both schools. Some of their girls escorted us to the train.

We again played San Mateo, and again we lost. Our next and last game was with Redwood, the score ending in our favor. The girls then gave a feed to Redwood. This ended the basketball season of the unlimited, our standing in the league being second in the northern section of the league.

The following games were played by the unlimited team:

Practice Games
San Mateo 20, South City 11.
San Mateo 21, South City 20.
P. A. L. Games
San Mateo 25, South City 23.
Redwood 8, South City 50.
San Mateo 35, South City 23.

Redwood 13, South City 39.
The following girls were awarded blocks and stars:
Blocks—Zilpha Dunlap, Sylvia Thomas, Marian Fischer.
Stars—Laura Baldini and Rosalind Gsell.

The girls who composed the 125-pound team were: Forwards, Anna Carli '23 and Gertha Lane '24; center, Genevieve Schmidt (captain) '24; side center, Althea Spangler '24; guards, Rita Castro '25 and Margaret Murray '25.

The first practice game was with San Mateo, the score ending in our favor, 27 to 4.

The next was a G. P. A. L. game, again with San Mateo, our team again winning.

We then played Mountain View at Mountain View, but although our girls played hard, Mountain View finally scored, 11 to 6.

We then won a game from San Jose. The next and last game was with Mountain View. It was to decide who would win the championship, as there was a tie. Both our team and Mountain View team met at San Mateo. It was a very exciting game, first one side scoring and then the other. Our girls all played their best, making it possible for us to win the championship of the league, the score being 9 to 8. The following girls won their blocks: Anna Carli '23, Gertha Lane '24, Althea Spangler '24, Genevieve Schmidt '24, Rita Castro '25, and Margaret Murray '25.

The games were scheduled and played as follows:

Practice Games
South San Francisco 27, San Mateo 4.

G. P. A. L. Games
South San Francisco 31, San Mateo 22.

South San Francisco 6, Mountain View 11.

South San Francisco 21, San Jose 19.

South San Francisco 9, Mountain View 8.

Our basket-ball ended very favorably, this being the first championship our basket-ball girls had ever won.

BASEBALL

South City girls lost two of their baseball games this year to San Mateo. We had a good little battery, Zilpha Dunlap '25, pitcher, and Anna Carli '23, catcher, but the rest of the team were more or less inexperienced.

Mountain View forfeited its games to us.

The games with San Mateo resulted in the following scores:

South San Francisco 6, San Mateo 21.

South San Francisco 6, San Mateo 16.

The team was as follows:
Zilpha Dunlap '25, Anna Carli '23, Marian Fischer '24, Zelma Cox '24, Beatrice Farrell '24, Genevieve Schmidt '24, Gertha Lane '24, Azalia Meeth '23, Laura Baldini '24, Alice Elmers '23, Rosalind Gsell '22, Rita Castro '25.

TRACK and FIELD

Ambrose Aylsworth entered in the 440-yard run in the P. A. L. meet and placed fourth, thereby winning one point for the school and a star in this event.

Girls' Track Meet

For the first time in history girls took part in track and field events. After several weeks of training the girls had an interclass meet, which the high freshmen won with a score of 21½. Zilpha Dunlap, Sylvia Thomas, Annie Boetto, and Alice Pengelley won their numerals.

Later we had a dual meet with San Mateo. They beat us 43½ to 24½. Then came the girls' P. A. L. track and field meet, an account of which follows:

Did we want to go? Well, I'll say we did!

Miss Clifford, Mr. and Mrs. Holt and nine of us girls representing South San Francisco High School met at the library at 7:15 to go to the girls' P. A. L. meet at San Jose.

Every one was full of pep, and all-

TRACK.

(Continued from page 5.)

though we didn't expect to take first place we knew that our girls were just as good as any of the others.

The trip on the bus was enjoyed by every one. We sang songs and yelled until even the driver found that our pep was catching, and he actually joined us when we sang.

The first events took place at 9:30. They were basket-ball throw for goal and the jump reach. Although we did not place in the jump reach, we took second place in the basket-ball throw for goal.

The next event was the 50-yard dash. In this event we took fourth place.

The next two events were hockey strike for distance and the basket-ball throw for distance. In both of these events we placed. In the hockey strike we took third place and in the basket-ball throw for distance fourth place.

The next event was the baseball throw for distance. We did not place in this event.

The relay race was run immediately after. In this event we took the third place, Annie Boetto running a wonderful fourth lap.

The baseball throw for strike was next, and in this event we captured second place.

The last event was the chariot relay race. We did not have any girls entering in this event.

After the chariot race we went to the cafeteria, where the San Jose girls had prepared a splendid "feed" for us. San Jose won the cup that was the trophy, and medals were awarded, speeches were made, and then each high school gave yells or songs.

After our lunch South San Francisco played a volley-ball game with San Jose.

Some of the girls went swimming in the tank at the school. When the girls went to their dressing rooms they found that the tank had overflowed, and shoes were seen floating around, but this accident did not spoil our day.

The very best part of it all was that out of the nine girls that went to San Jose, seven of them got honors. Five girls got stars and two girls blocks.

We came home, after taking fourth place in the girls' P. A. L. track meet.

HOCKEY

South City's hockey team, known by the G. P. A. L. as the Pigmies, were only beginners this year, but have acquired a real love for the game.

They were defeated by San Jose and San Mateo highs, but scored against each of their opponents.

Our hockey team remembers with pleasure the luncheon served them by the San Jose girls. When they played us a return game we also entertained them, for we know how much we appreciated something warm before we left for our long homeward trip.

The results were as follows:
South San Francisco 1, San Jose 7.
South San Francisco 1, San Mateo 8.
South San Francisco 1, San Mateo 2.
South San Francisco 2, San Jose 8.

The team is as follows:
Marguerite Kiessling '22, Bertie Griffiths '24, Mabel Costa '25, Elva Ferrario '24, Annie Boetto '25, Mary Wallace '24, Alice Pengelley '25, Irene Froom '25, Isabel Lynch '24, Antoinette Colombo '25, Janet Jones '25, Alcyone Clonsky '25, Beulah O'Rourke '25.

UNLIMITED.

After the football season the boys began basket-ball practice. We anticipated success, but due to sickness of some of the boys we had to play our first basket-ball game with a crippled team. We played on an outside court, and the Mountain View "Giants" beat us.

Our next start was with San Jose, on our own court. Again we were handicapped by sickness, and we were badly defeated. After this game Coach Adams decided that the unlimited team should disband for the year and let the 130-pound team represent the school. Murray, Dunlap, Doak, McMills, Vaccari, Bonalanza, Dotson and Aylsworth made up the unlimited team.

South City 11, Mountain View 47.
South City 0, San Jose 66.

After the disbandment of the un-

limited, the 130-pound team played out its schedule. Mr. Adams coached the boys, and made a very creditable showing. The team was practically the same as the unlimited, with the exception of Vaccari, McMills, and Dotson.

South City 18, San Mateo 55.

South City 8, Redwood 30.

South City 28, Campbell 21.

As a whole, the basket-ball season was not much of a success, but Mr. Holt and Mr. Adams deserve a lot of credit for coaching the boys. They look for a more successful season in '23.

SCHOOL HIKE.

On April 10th the student body went on a hike to Muir Woods, chaperoned by Mr. Holt and Mr. Reed. Most of the students left on the 7 o'clock train Monday morning, and were met later at Mill Valley by the rest of the hikers.

The day was lovely and the hike was made in good time. We rested in Muir Woods for a couple of hours and then ate our lunches near a creek. After a lunch some of the students, accompanied by Mr. Reed, hiked to Willow Camp. The remainder of the students played games and all had an enjoyable day.

We left Muir Woods at about 4 o'clock, arriving at San Francisco at 7:30, tired and hungry, but on the whole very happy.

GYM JINKS.

On June 8, 1922, the girls' gym jinks was held at the high school. It began with interclass basket-ball games, which were between the high sophs and the high frosh. The second game was played by the low frosh and the junior-senior team. The boys were sent home after these games and the regular program was started.

The first thing was Ziegfeld's Follies, which was given by the junior-senior girls in pink ballet dresses. Lillah Brown as leading lady did the snake dance with her chorus at the rear of the stage.

A comical play was staged by Janet Jones, Alcyone Clonsky, and Aldyth Winn.

Good and bad manners was given by the faculty. First came street manners. This showed how one should and should not act on the streets. Then dance, table and street car manners followed, to the merriment of the girls.

A song was sung by Alcyone Clonsky, after which came a stunt entitled "Familiar Scenes About the School." In this four persons were impersonated. Their acting was perfect, at least so every one said.

The girls then went to the gym, where they ate lunch. Finally they danced until the night school opened.

CLASS PILGRIMAGE.

The class pilgrimage has come to mean the farewell of the seniors to the different academic departments. Headed by the senior class, the classes form in line and march from room to room. At each stop, some member of the student body makes a farewell speech to the seniors. When the pilgrimage has been finished, the classes "move up"—the juniors becoming the new seniors, etc.

The program for the pilgrimage was as follows:

Physics	Haydn McMills
Mathematics	Rosalind Gsell
English	Mabel Whitten
French	Alexis James
Civics	Grace Robinson
Drawing	Elizabeth Coffinberry
History	Althea Spangler
Commercial Dept.	Edna Broner
Sewing	Marguerite Kiessling
Study Hall	Elmer Vaccari
Gym	Laura Baldini
The Office	Mr. Adams

SENIOR PARTY.

On March 24th the seniors gave a party to the juniors. It was in the form of a St. Patrick's celebration. Dancing and games were enjoyed until a late hour, when supper was served. The table was decorated in green and white; a bark served as a centerpiece. The party broke up in the wee small hours.

This celebration was returned by the juniors, who entertained the seniors at the home of Alexis James on April 28th. As Shylock said "they bettered their instruction." The juniors are a good class and the seniors leave them with regret. It is a pleasure to know that such mutual admiration can exist between rival classes. Let us hope the custom of junior-senior parties becomes a yearly tradition, for we can see how pleasant it has made our senior year.

Candy Sales

The early part of the school year the usual candy sales were held with success.

The sales were given by the seniors, juniors, Boys' Club.

THE JUNIOR CHAMBER OF COMMERCE.

Among one of the successes of the year was the Junior Chamber of Commerce. Elmer Vaccari succeeded Mr. Adams as president, and has proved very worthy of the honor. Thomas Doak was appointed representative from the Chamber to the town Chamber.

Several important things were accomplished by this organization. When the trustees started the improvement of the high school grounds, we immediately got all the members to sign a paper declaring they would put in ten hours of work. About thirty boys signed up, and during the noon hour and in the course of two Saturdays we had accomplished what we

set out to do. For our appreciation of their good work the trustees, assisted by Miss Harber and the cooking girls, gave us a very good feed of beans and hot dogs.

We also succeeded in having belts made for the boys with the school initials on them.

Meetings were held throughout the year, and although most of the boys belong to this organization we look for a larger group next year.

THE FRESHMAN RECEPTION.

The freshmen came early, so as not to miss anything. The first stunt was giving them an electric shock and painting their faces green. Doctor McMills and Doctor Holt, assisted by Nurses Evelyn Enderlin and Edith Emerick, performed an operation on a dummy freshman. The operation was a complete success, as they reported the patient dead. "Brother, are you there?" was illustrated by Lester Vaccari and Charles Signorelli.

Mr. Holt impersonated Alpheus McGovern entering high school. He was clad in short trousers, coat and straw hat, with low shoes and white stockings. This impersonation caused much laughter, as it fitted exactly our brilliant freshman.

Mr. Reed then rendered a piano solo. This was rather a surprise, as we thought he couldn't play.

Then the freshies formed in the letters S. S. F. H. to represent their part in the high school, and after enthusiastic yells the party ended with the usual ice cream and cake.

COMPETITIVE RALLY.

One morning before school opened a competitive rally was held. The school yells were given. Then each class gave its class yell and the school yells, each one trying to out-yell the other. The juniors and seniors united in one class for that day and appeared with gray and blue megaphones adorned with their class numerals.

As a result of this rally, one noticed an improvement in the school singing and yelling.

At the San Jose girls' field meet our nine representatives were conceded first place in the school yell and song contest.

THE CIRCUS.

On Saturday, December 10, 1921, the high school gave a circus.

In the afternoon at about 2 o'clock the parade, consisting of bareback riders, clowns, wild animals and all the rest that goes to make a circus parade a success, started from the high school and paraded through the city.

The doors opened at 7:30 and the crowds poured in. On either side of the door were booths. The low freshmen had a wheel of fortune on one side and on the other the seniors had an ice cream, lemonade and popcorn stand. Directly in back of these was the jitney dance run by the juniors.

At one end of the hall was a Punch and Judy show, kissing booth and a doll house run by the sophomores. Upstairs were the movies, the electrical wizard and the Arabian gypsy camp in charge of the high freshmen. The main show was held in the gym. This consisted of stunts performed by the junior high girls and boys and a few freshmen. The Styles of the Ages was also in the basement. This contained all the styles from the cave-woman to the girl of 1950, in knickers, walking stick and cigarette. This was enacted by the sophomore girls.

Every one greatly enjoyed the circus and it was a success for the high school.

Ernest and Fernand Thomas, Zoltan Engel, Victor Lindberg, Patrick Sullivan and P. McCambridge.

LEGION BALL TEAMS WINNING STREAK BROKEN

The Bernard McCaery Post No. 85, American Legion, baseball team lost their second game of the year Sunday, when the fast Pacific Coast Glass Company team of San Francisco slipped them the short end of the score. The local boys must have been out late the night before, because they couldn't hit the ball.

The juvenile band of San Bruno was present in all its glory and made a good showing. This band is quite a boost and we would like to have them again. The score:

American Legion	R.	H.	E.
Pac. Coast Glass Co.	5	10	5
Batteries—Wette, Kouns and McSweeney; Thack and Briggs.	15	17	3

The Legion team will play Consuma Soda Crackers Sunday on the local grounds at 1:30 p. m.

RASPADORI TAKES WIFE.

Alfred G. Raspadori, the popular young proprietor of the South City Meat Market, is a benedict, but this announcement will probably come as a surprise to most of his local friends, as Raspadori took nobody into his confidence, but slipped quietly out of town and, so far as can be learned, is still away. The young lady in the case was Miss Alma E. Caletine of 1188 Vallejo street, San Francisco.

EKSWARD OUT AGAIN FOR THE ASSEMBLY

Frank L. Eksward, for six years representative of this county in the state legislature, this week announced his candidacy for re-election. Eksward has been a faithful servant to San Mateo county at all times and fought hard for it in many notable battles at the state capital. He believes strongly in the movement to secure the establishment of a port in San Mateo county, and in the last session of the assembly he introduced and secured the passage of a bill permitting the formation of districts for the development of harbor facilities in San Mateo county, although it was later vetoed by Governor William D. Stephens.

In announcing his candidacy for re-election, Eksward states that if returned to the legislature this year, he will continue to work for the best interests of the county as he has done in the past, and will gladly co-operate with any of his constituents in any movement for the progress and development of the county.—Adv.

HUDSON SEDAN BURNS AT EARLY HOUR WEDNESDAY

A fire alarm rung in about 1 o'clock Wednesday morning called the department to Baden avenue near Eucalyptus, where a fine car, a Hudson sedan, was found in flames. The machine was badly damaged before the fire fighters arrived. Later it was learned the machine had been stolen in San Francisco, but the name of the owner was not secured.

Saturday the fire department was called to San Bruno by a serious fire at the Cabin Garage. The San Bruno department as well as the local men worked at great disadvantage because of lack of water, but the blaze was finally extinguished after damage of about \$600 was done. The blaze was believed to have started in a bedroom over the garage.

PIONEER PASSES.

Martin Klotz, for about thirty years a resident of South San Francisco, died Tuesday in Sonoma, Calif., after an illness of about two years. The deceased was staying on the ranch of his daughter, Mrs. C. L. Blankenship, at the time of his death, having gone there recently. Mr. Klotz was 85 years of age at the time of his death. He had lived in this city since its pioneer days and was at one time owner of the business corner where the bank building now stands. He leaves a widow, Mrs. Lizzie Klotz; two daughters, Martha Klotz and Mrs. Blankenship, and a sister, Mrs. Mary Young of San Francisco. The funeral will be held Friday afternoon from the Nieri undertaking parlors.

JUDGE KERRIGAN IN TOWN MEETING VOTERS

Judge Frank H. Kerrigan, candidate for associate justice of the supreme court, was in town Wednesday afternoon meeting the voters. Judge Kerrigan is making his campaign on a record of twenty-eight years on the bench, the last sixteen of which he has served as associate justice of the appellate court. Judge Kerrigan was accompanied on his rounds here by W. J. Martin of this city, an old friend.

WHIST PARTY AND RAFFLE AT ALL SOULS

The whist party held at All Souls' parish hall last Saturday evening drew a large gathering, every table being filled with players. One of the main events of the evening was the raffling of the hope chest, many tickets for which had been sold. Mrs. J. Reichel of the Golden Eagle Hotel was the winner of the chest, which had been donated by A. Schmidt and filled with things dear to a woman's heart by the ladies of the parish.

DENNIS OUT FOR CONSTABLE.

J. H. Dennis of Colma has announced his candidacy for constable of the first township. Mr. Dennis has been a resident of Colma for twenty years, and has had considerable experience as an officer of the law, having served at different times as deputy sheriff and deputy constable. Dennis is well known through the north end of the county, and friends are predicting he will make a very strong race.

MISS DAVIS WEDS.

Mr. and Mrs. Charles Davis of Miller avenue are announcing the marriage of their daughter, Miss Opal L. Davis, to Raymond Ellis of Los Angeles. The marriage took place last Saturday evening.

We talk a good deal about "the laboring man," but the only other kinds of men are the ill, the very old and fools.

CHAMBER OF COMMERCE HOLDS MEETING TUESDAY

The Chamber of Commerce held a well-attended meeting at the city hall Tuesday evening.

Following a discussion of the need of an east entrance to Tanforan race track, it was decided to appoint a committee from the Chamber to see what can be done to secure an entrance from San Bruno road near the Union Oil station west to the proposed race course.

J. O. Snyder was appointed representative for the property owners on the building of the score of new homes to be constructed here under the auspices of the Chamber. Mr. Snyder will exercise supervision of the plans and specifications of the houses in the interest of the owners.

George Everson and Lynn D. Mowat, representatives of the American City Bureau, addressed the members of the Chamber on a proposition to put on a campaign here to boost the Chamber and get new members. No action will be taken in the matter until after the two men have had an opportunity to attend meetings of the Merchants' Association and Manufacturers' Association to secure their co-operation.

TWO CARS RUN OVER BANK.

Two autos, believed to have been stolen, were run over the high bank on the Bay Shore road north of town Sunday. It is said that two men seen at one of the machines and believed to have been about to strip it, fired several shots at some clam diggers near by who interrupted them. The supposed robbers then fled without finishing stripping the machine.

SAN MATEO TIMES ARRIVES IN NEW DRESS

The San Mateo Times, edited and published by Horace Amphlett, appeared in a new dress last week. Heretofore it has been published as a seven-column, four-page paper; now it comes out in eight pages, six columns to the page, and is a much improved looking paper.
